## WeCOACH Participant Pledge

As a participant in a WeCOACH Academy event, you are an integral member of the class of coaches that will be actively participating and engaging together.

As a coach chosen to attend the Academy, we ask that you conduct yourself in a manner that positively represents the values of all coaches and your university/school/organization—conduct and values that reflect respect, integrity, and responsibility. This includes, but is not limited to, the standards stated below.

I will:

- Be an active participant and always demonstrate professionalism, have FUN and celebrate that as coaches, we have the power to have the most influential impact on our next generation of leaders.
  
- Be punctual and attend each session in its entirety.
  
- Be respectful. I will choose my words carefully and respect others. WeCOACH aims to create a growth environment where each person feels valued, productive, included, and has an opportunity to be their authentic selves.
  
- Be inclusive. WeCOACH welcomes and supports people of all backgrounds and identities. This includes, but is not limited to, members of any sexual orientation, gender identity and expression, race, ethnicity, culture, national origin, social and economic class, color, educational level, immigration status, sex, age, size, family status, political belief, religion, and mental and physical ability.
  
- Dress appropriately. During a professional event, I understand that it is important how I dress and present myself to others. Academy attire is business casual (unless otherwise designated). This may include your university/school/organization attire. Please do not wear workout gear or loungewear.

I understand and pledge to fulfill the above standards. I understand that failure to do so may result in actions administered by the WeCOACH Team. I have read this statement and pledge my commitment.
