

UNITED STATES MARINE CORPS  
MARINE CORPS RECRUITING COMMAND  
3280 RUSSELL ROAD  
QUANTICO, VA 22134-5103

Coach,

It is with great pleasure that I invite you to apply to attend the Marine Corps Recruiting Command (MCRC) Coaches' Workshop at Marine Corps Base Quantico, Virginia from May 10 to May 14, 2022.

The workshop is designed to provide coaches from colleges and universities across the nation the opportunity to see firsthand how highly-qualified college students are recruited, screened and developed into Marine officers. We will provide insight into our Marine officer training process, benefits, career opportunities and service within the Marine Corps. If selected, I am confident that you will depart Quantico with a comprehensive understanding of our process and a unique look into the caliber of those who serve as United States Marine Officers.

Participants are provided valuable tools and information to enhance coaching and leadership skills, thereby allowing you to better connect with your students and athletes, positively influencing their overall performance and character.

Selected coaches will observe and participate in aspects of training at the Officer Candidates School, The Basic School and attend leadership development workshops. Additionally, coaches will attend the "Evening Parade" at the Marine Barracks Washington, D.C., featuring the Silent Drill Platoon and the "Commandant's Own" Marine Corps Drum and Bugle Corps.

Coaches and Marines both share a passion for transforming young people into high-caliber citizens of our great Nation. Our passion for integrity, strong moral character, education and developing the individual Marine/student is at the core of both of our organizations. My desire is that you will come to learn and understand the exceptional opportunities the Marine Corps has to offer and share that knowledge with your athletes and community.

Applications will be accepted through March 15, 2022 and final coach selections will be made by March 31, 2022. Our goal is to select coaches from various sports and athletic programs that are representative of the entire country.

Transportation expenses and hotel accommodations will be provided. For additional information, please contact MCRC Community Engagement at: 703-432-9031, [community@marines.usmc.mil](mailto:community@marines.usmc.mil) or visit <https://www.mcrc.marines.mil/Outreach/Workshop-Home/>.

Respectfully,

A handwritten signature in black ink, appearing to read "T. R. Dolan", with a long horizontal line extending to the right.
