## ABOUT OUR PROGRAMS

### NCAA WOMEN COACHES ACADEMY

The Women Coaches Academy, hosted in partnership with the NCAA, provides dynamic growth and development for Division I, II, and III women coaches. The multi-day Academy is designed to learn non-sport specific skills and advanced strategies that directly impact personal and team success.

### NCAA ACADEMY 2.0

NCAA Academy 2.0 is a multi-day mastery learning program designed to elevate your coaching skills. The strategies, knowledge and network gained from the Women Coaches Academy will be expanded upon in this advanced program.

### HIGH SCHOOL WOMEN COACHES LEADERSHIP ACADEMY

Launched in 2021, the High School Women Coaches Leadership Academy is modeled after our longstanding premier NCAA Women Coaches Academy. This two-day virtual program is aimed at providing leadership and development programming to assist women High School and Club coaches in reaching team and individual success.

### MENTOR PROGRAM

This eight-month program, for both Collegiate and Youth Coaches, offers individuals the opportunity to learn from and with our vast community of women coaches. This unique mentorship model brings together three levels of mentors and mentees: gold mentor, silver mentor/mentee and bronze mentee in each grouping.

### WeAMPLIFY

WeCOACH acknowledges the importance and value of including specific programming for women coaches of color in our WeCOACH community. WeAMPLIFY was created to drive change and conversation surrounding social and institutional barriers – and a promise to amplify the voices, visibility, experiences, and value of women coaches of color.

### BREAKTHROUGH SUMMIT

BreakThrough Summit, hosted in partnership with Hudl, is a digital leadership summit for women in sports. The free event is designed to support, develop, and celebrate women in sports. Tune in to hear from the top industry leaders in sports and network virtually with your peers.
