Why Investing in Women Coaches Matters

- ✓ Increased Representation – Women coaches inspire future generations of female athletes.
- ✓ Diverse Leadership – More perspectives enrich decision-making in sports.
- ✓ Stronger Athlete Development – Representation fosters confidence and growth in athletes.
- ✓ Equity in Sports – Addressing the gender gap in coaching is crucial for the future of sports leadership.

WeCOACH celebrates the strides made and looks ahead to continue the progress. We encourage more organizations to invest in women coaches and create lasting change in sports leadership. To learn more about WeCOACH group memberships, email memberships@wecoachsports.org.

Together, we are building a stronger, more equitable future in coaching.

ABOUT WeCOACH

Founded in 2011, WeCOACH is a one-of-a-kind 501(c)(3) nonprofit dedicated to recruiting, advancing, and retaining women coaches in all sports and levels through year-round professional growth & leadership development programs. Prior to Title IX, over 90% of women's collegiate sports teams were coached by women. Today, over 50 years later, the data indicates that number has decreased to 41% across all three NCAA Divisions, with only 7% women head coaches of color. Only 5% women coach men's teams. At the youth level, the data is hard to estimate, approximately less than 20% of teams are coached by women. WeCOACH launched MOVE the NUMBERS in 2022 to help change the landscape for women coaches and the student-athletes they lead. If she can see her, she can be her.
